WORK EXPERIENCE

Owner & Editor | Zoomin' photography

PROJECTS

AlexaPi | Raspberry Pi

- 🔧 Instead of using Amazon's official resources, we'll use a GitHub project called Alexa Pi. This installs the exact same Alexa voice service that Amazon uses on the Echo onto your Raspberry Pi. So by this Project I made my own Alexa Echo at low cost.

Hydro-Electric Power Plant | Physics

- 🔧 How to make current with the energy extracted by running water.

Luminol Ammonia Fountain | Chemistry

- 🔧 This is totally to observe the ammonia reaction.
